

PEACE CORPS

# Service Sectors

## Let's make change. Together.

When you serve in the Peace Corps, you'll be working together in your new community to create a positive impact on people's lives — now and for generations to come. We have diverse opportunities across six sectors.

### **Teach for Tomorrow - Education**

Work with schools, communities, parents, and students to support learning in math, science, English, and literacy.

### **Advance Health Equity - Health**

Work with clinics and healthcare providers to develop strategies to promote nutrition, maternal and child health, hygiene, water and sanitation, malaria prevention, and HIV/AIDS education.

### **Strengthen Food Security - Agriculture**

Support programs in food security, climate change adaptation, sustainable living, and farming.

### **Protect Our Planet - Environment**

Promote efforts to protect natural resources at the local level and strengthen understanding of environmental and sustainability issues.

### **Cultivate Opportunity - Community Economic Development**

Strengthen economic infrastructure through urban planning or supporting entrepreneurs and business owners.

### **Empower the Next Generation - Youth in Development**

Engage youth in programs related to HIV/AIDS education, gender awareness, environmental stewardship, sports, and more.

---

**Secondary Projects** Interested in serving in more than one sector? Secondary projects offer an opportunity to go beyond your primary assignment and use your skills to develop a new initiative that will help your community.

**Feeling Inspired?**
